

JD ACADEMIC CONCENTRATION COMPLETION

*'Save as,' complete, print, sign, & submit form to the Law School Registrar by:
Feb. 01 for spring graduates May 01 for sum graduates Sept 01 for fall graduates*

Student Name: Last, First	ID Number	Concentration
General Requirements: Each concentration requires successful, independent completion of (1) two or more foundational courses*, (2) three or more approved courses*, and (3) an independent research paper or an experiential course, and may not count a single course or experience as satisfying two concentrations. A student will be deemed to have satisfied the requirements for completion of the concentration only upon approval of the Concentration Completion Form by the Vice Dean. Students may use a single course to satisfy both the Law School's six-credit experiential learning requirement and the experiential course option in Group C of a concentration. The requirements for particular concentrations are included in the Policy Appendices posted online and may be revised from time to time, depending on course and instructor availability.		
NOTE; in the sole discretion of the Vice Dean, a course other than those listed in groups B and C may be counted toward those requirements. All independent research paper topics must be approved by the Vice Dean before the student registers for the course. Students may petition the Vice Dean to approve, in his or her discretion, courses not included in the Appendices if the course is substantially related to the area of concentration. Advance approval is required and requires signature of Vice Dean.
